Citric Acid, Magnesium Stearate, Silica.

WARNING: Keep bottle closed in a cool, dry place and out of the reach of children. The entire bottle iron content (90 tablets) is less than the RDV poison level. Caution should nevertheless be exercised as accidental overdose of iron containing products is a leading cause of fatal poisoning in children under six. In case of accidental overdose, call a physician or poison control center immediately.

HYPOALLERGENIC: Free of Yeast, Egg, Gluten, Corn, Wheat, Milk, Starch, Artificial Colors or Preservatives.
